

INGREDIENTS

Active Ingredients

Rosemary Oil 9.45%
Clove Oil 0.75%

Inert Ingredients..... 89.80%

Water, Humic Acid, Soapbark (Quillaja Saponin)
& Soap
Total..... 100.00%

Just five ingredients. That's it.

- ✓ All-natural formula
- ✓ Only made with organic ingredients
- ✓ Eco-friendly
- ✓ Plant-powered total protection

HOW IT WORKS

Systemica® Indoor & Outdoor Spray is a unique all-natural formula that works on contact while it's also absorbed into plant cells, just like water, creating complete and total protection. If an insect starts to feed on the plant, Systemica® causes the pest to move on or die. Pest proof your plants with Systemica®.

WHERE TO USE

Use indoors and outdoors on houseplants, ornamental trees and shrubs, flowers, fruits, and vegetables.

DIRECTIONS FOR USE

SHAKE WELL BEFORE USE

Apply to leaf and stem surfaces on top and bottom for an effective treatment. Hold the sprayer 6-12 inches away spraying the surface with a mist until light beading is seen. For heavier infestation, spray till run off. Also, soak or spray the root zone.

This product has not been registered by the United States Environmental Protection Agency. Sierra Natural Science represents that this product qualifies for exemption from registration under the Federal Insecticide Fungicide, and Rodenticide Act. FIFRA 25(b)

PRECAUTIONARY STATEMENT

Use eye protection, chemical rated gloves, and long sleeve shirt. Not intended for human consumption. Avoid contact with eyes and skin. Thoroughly wash all food areas and food materials contacted with soap and water. Do not use near heat or open flame. Store in cool location out of direct sunlight. Do not freeze.

FIRST AID

If in eyes, flush eyes with water for a minimum of 15-20 minutes. If on skin, wash skin with soap and water. If irritation persists contact a physician. Have the product container or label with you when calling a poison control center or doctor, or going in for treatment. Call poison control center hotline 1-800-222-1222 if over exposure occurs.

STORAGE AND DISPOSAL

Store in a cool, dry area away from heat or open flame. Do not reuse container. Dispose in trash or offer for recycling if available.
